Other deadlines:

Extensions must be requested prior to the due date of the action. No extensions for the submission of late merits or promotions will be granted without strong justification. Authority to grant extensions to the published deadlines and/or issue administrative deferrals will depend on the delegation of the eligible action.

- **Non-redelegated actions:** Requests for extensions to the deadlines for non-redelegated actions must be submitted with justification to the Office of the Vice Provost, via the Dean's Office, for Vice Provost approval. If the candidate has not been approved for an extension and does not submit a substantially complete advancement packet to their voting unit by the published deadline, the Vice Provost—Academic Affairs has the right to deny a request for extension and issue an administrative deferral on a case-by-case basis. Note: five-year reviews and 7th-year tenure cases cannot be designated as Administrative Deferrals.
- **Redelegated actions:** Requests for extensions to the deadlines for redelegated actions must be submitted with justification to the Dean's Office for approval. Deans may exercise the use of administrative deferrals at their discretion.

¹ These deadlines reflect the latest possible dates for submission of materials. Departments and Dean's Offices may set earlier deadlines.

² Per the Contract for the Academic Researchers Unit (RA) between the University of California and the United Automobile, Aerospace, and Agricultural Implement Workers of America (UAW), academic researchers shall receive written notification of eligibility at least six (6) weeks before materials are due.

³ Departments are required to allow the candidate 10 calendar days prior to submitting the action to the dean's office to review the final department letter and submit a rejoinder.

All Senate and Federation appointment actions with an effective date other than July 1 should be received at the Senate Office at least four weeks prior to the effective date of the appointment.

Any retroactive action requires the review and approval of the Vice Provost--Academic Affairs, including actions normally re delegated to the dean for approval. An action is retroactive if the dean is not able to make a decision within 60 days after the effective date of the action. This does not apply to Health Sciences Clinical Professors.

Deferrals and 5-year reviews are due in the Office of the Vice Provost--Academic Affairs at the time the corresponding regular action would be due. These actions are due at the time of the corresponding regular action to ensure timely decisions to pursue regular actions.

Redelegated actions that become non-redelegated during the review process: the dean's office is required to contact the appropriate Academic Affairs analyst team, to establish a new deadline based on the following:

- **3 weeks standard extension** = when a re delegated action changes to a 2.0 step increase action (e.g., merit from Professor, Step 3 to Professor, Step 5);
- **5 weeks standard extension** = when a re delegated action changes to a 2.0 step increase action that crosses a barrier step (e.g., merit from Professor, Step 4 to Professor, Step 6);
- **8 weeks standard extension** = when a re delegated action changes to one which now requires extramural letters (e.g., merit from Professor, Step 8.5 to Professor, Above Scale, or a merit that is returned by the central review committee for consideration as a promotion).
- *Any requests for longer or additional extensions beyond these standard extensions must be submitted with strong justification to Academic Affairs for the Vice Provost's consideration.*
