\***Emeritus Status** is conferred, upon retirement, on every member of the Academic Senate. For non-Senate members, please review APM 120-10 for guidance about Emeritus Titles - exceptions to the criteria are not permitted.

<sup>1</sup>**Ladder Rank** faculty are faculty holding tenured titles or non-tenured titles in a series in which tenure may be conferred. These series are: Professorial series, Clinical Professor of Dentistry (50 percent or more time) series, and Supervisor of Physical Education series.

<sup>2</sup>**Senate** membership is conferred to a person; if an appointee holds a title eligible for Senate membership and a title eligible for Federation membership, the appointee is a Senate member only.

<sup>3</sup>**Faculty**-an academic appointee in a School, College, Division, Department, or Program of instruction and research who has independent responsibility for conducting approved regular University courses for campus credit. Student academic employees are not considered faculty.
