

Associate Professor Network

Looking for networking opportunities among UC Davis Associate Professors?

The UC Davis ADVANCE Program and the Office of the Vice Provost-Academic Affairs introduced the Associate Professor Network (APN) for this purpose.

APN is a social and professional network built upon an email listserv to connect faculty at the Associate Professor rank. The goal is to facilitate connections among campus faculty members in order to:

- Share information about resources and opportunities
- Initiate collaborations
- Develop and sustain friendships

Get to know your colleagues through participation in APN events that are promoted through the listserv.

Join the Associate Professor Network (APN) Listserv
