# Good Standing Policy

- **Following Senate feedback, under revision for likely final time**
- **Good Standing Policy is required for forthcoming APM 672**
- **In response to concerns that the Good Standing Policy is too punitive, the revised Good Standing Policy no longer ties completion of mandatory trainings to violations of the Faculty Code of Conduct (APM 015). It follows that discipline, under APM 016, will not be a consequence of not being in good standing. The new draft policy outlines what opportunities will be unavailable while someone is not in compliance, but notes that as soon as someone becomes fully compliant, they will return to good standing with no repercussions.**

# Good Standing Policy

- Senate felt too many trainings were mandatory. This is not under Academic Affairs' control.
- Mandatory systemwide trainings take about 3-4 hours per year; there may be others that are college/school specific (e.g., UC Davis Health trainings, laboratory safety, STEAD).
- Academic Affairs cannot waive mandatory trainings.
- Academic Affairs cannot allow faculty to “test out” of mandatory trainings.
- Academic Affairs is not responsible for doing a cost/benefit analysis of each training program.

# Good Standing Policy: What is affected?

- Endowed appointments and/or reappointments
- Range adjustments on the off-scale salary component and above scale salaries
- Salary equity programs
- Benefits under compensation plans, such as the Health Sciences Compensation Plan and the Negotiated Salary Trial Plan
- Discretionary leaves of absence (non-medical), including sabbatical, professional development, etc.
- Faculty administrative/leadership appointments (e.g., APM 241, APM 246), i.e., graduate group chair, department chair, associate dean, director, etc.
- Outside professional activities that require approval (as outlined in APM 025 and APM 671)
- UC systemwide and campus grant funding and matching-fund commitments
- External limited-submission grants/awards

DIRECT QUESTIONS SUBMITTED HERE WILL RECEIVE A ONE  
BUSINESS DAY RESPONSE FROM THE AA  
TEAM: [STRIKEQUESTIONS@UCDAVIS.EDU](mailto:STRIKEQUESTIONS@UCDAVIS.EDU)

# Oath and Patent Form Compliance

- UCOP has shared through our compliance office that all UC campuses need to work on ensuring these are completed for all appointees. This is especially important for academics.
- We will be sending out information to each school and college that identifies which employees are still needing these forms completed.
- We need your help in getting these completed.

# MIV-related updates

# **New MIV Option for Indicating Half-Steps**

# Extra Half-Steps and Reasons

- **Additional Questions added to Recommendation/Final Decisions for Merit, Promotions, Appeal, Career Equity Review action types.**

**How many extra half steps above 1 step were awarded?**

Example: a 1.5-step action is 1 extra half step

Select reason(s) for extra half steps (the number of reasons selected should match the number indicated):

Please select 2 reasons

- Research
- Teaching
- Service
- Professional Competence
- Equity

- **On Redelegated actions, the Dean's reasons for extra-half steps will appear as final in the PDF.**
- **On NonRedelegated actions, the Dean's recommendations for reasons for extra half steps will appear as recommended in the PDF.**

# Outstanding Contributions to DEI

- Another question that is added to the Recommendation/Final Decisions for Merit, Promotion, Appeal, Career Equity Review action types.

\* Did the candidate display outstanding contributions to Diversity, Equity and Inclusion?  Yes  No

- Currently, if a “No” response is selected/recommended, then the question will not appear on the generated PDF dossier. However, if a “Yes” response is selected/recommended, then the question will appear.
  - This means that if a Dean recommended “Yes” and the Vice Provost’s selection on the Final Decision is “No”, it would only appear as “Dean \_\_\_ recommends \_\_\_ for outstanding contributions to Diversity, Equity, and Inclusion.”
- In a release coming soon, the responses to this question will no longer be shown. Although a “yes” response does not directly provide a half-step for the academic, this question is still meaningful as Academic Affairs plans to review responses at a later date.

**Dean's Recommendation**  
Candidate, Non-Redelegated Merit 2024

Recommend Approval     Recommend Denial     Recommend Other

Decision contrary to the committee recommendation

**Comments:**  
Candidate displayed great contributions to Research and Teaching.

I recommend Candidate for 2 extra half-steps for Research, Teaching

I recommend Candidate for outstanding contributions to Diversity, Equity, and Inclusion.

**Vice Provost's Final Decision**  
Candidate, Non-Redelegated Merit 2024

Approved     Denied     Other

Decision contrary to the committee recommendation

Candidate received 2 extra half-steps for Research, Teaching

# Coming Soon: Aggie Experts

- MyInfoVault will soon be releasing their integration with Aggie Experts to all of UC Davis so that academics can import their publication and grant data.
  - Previously, this integration was available as a pilot to the College of Engineering.
- For more information, please visit: <https://library.ucdavis.edu/online-strategy/aggie-experts/>
- To use this new feature, select “Enter Data” -> “Grants and Contracts” -> “Import Grants and Contracts.” This will bring up the Aggie Experts integration.
- To import publications, academics can use AggieExperts to create a RIS file, that can be imported into MIV through “Enter Data” -> “Publications” -> “Import Publications” -> Select “RIS” for the upload type.

# Coming Soon: Optional Statements

- The Academic Affairs website will provide brief guidance and resources for optional statements in MIV.

## Guidance on Optional Statements

MyInfoVault (MIV) allows for the inclusion of several different statements, each used to supplement the advancement review process.

REVIEW DEADLINES

[HTTPS://ACADEMICAFFAIRS.UCDAVIS.EDU/REVIEW-  
DEADLINES](https://academicaffairs.ucdavis.edu/review-deadlines)

# Discussion Items

# Delays in academic actions and extensions

## ➤ 2024 Annual Call:

**Extension Requests:** Every year the Annual Call includes advancement deadlines published in Appendix A. The published deadlines exist to ensure that peer and administrative review proceeds in a timely manner and to allow for prioritization of workload for the Academic Senate and Academic Federation review committees. Please remember that extensions must be requested prior to the due date of the action. No extensions for the submission of late merits or promotions will be granted without strong justification. Authority to grant extensions to the published deadlines and/or issue administrative deferrals will depend on the delegation of the eligible action.

# Delays in academic actions and extensions

- Over 100 actions each year are not evaluated by CAP until after June 30, even though they are effective July 1, 2024.
- CAP works through August before it disbands at the end of the month.
- Many actions are not even evaluated until the following fall quarter.
- Conversely, because of early extension requests in the fall, CAP is not operating at full capacity throughout most of fall quarter.
- Therefore, Academic Affairs is considering implementing a change to the deadlines for the 2025-2026 academic year, in which for fiscal year colleges and schools the deadlines would be moved up by one month.

# DEI Blueprint

- **DEI Blueprint – a UCOP AFD grant between 3 UC campuses: Berkeley, SF, and Davis**
- **Aimed at helping academic departments assess their climate with specific attention to DEI and belonging.**
  - **Department surveys their members using a Question Bank;**
  - **Based on results, they have access to Climate Toolkit to support activities that are responsive to their needs.**
  - **Ultimate goal: make academic departments more inclusive for all, in order to increase faculty retention and success.**

# DEI Blueprint for coming year

- In the first years of the grant, we had 4 participating departments:
  - Pediatrics, SOM
  - Earth and Planetary Sciences, L&S
  - Plant Sciences, CAES
  - Mechanical & Aerospace Engineering, COE
- For next year, we invite more departments to participate.
- Please reach out to Binnie Singh, [binsingh@ucdavis.edu](mailto:binsingh@ucdavis.edu), if you have departments that may be interested. We can also meet with those departments to discuss DEI Blueprint further.

**Thank you!**
