UC Davis Faculty with International Linkages

The database is an important campus tool showcasing the breadth of international linkages and expertise of UC Davis faculty in the Academic Senate and Academic Federation.

Search Records

Use this form to choose parameters for your search of faculty. These fields are exclusive; if you fill in two fields, only faculty members who meet both criteria will be returned. Leave blank any field that you do not wish to include in your search.

Faculty First Name <input type="text"/>	Faculty Last Name <input type="text"/>
College/School <input type="text" value="(Any)"/>	Specialty <input type="text" value="(Any)"/>
	Specialty <input type="text" value="(Any)"/>
World area of expertise <input type="text" value="(Any)"/>	
Country of expertise and/or collaboration <input type="text" value="(Any)"/>	
Language <input type="text" value="(Any)"/>	

Search the above fields to find countries, regions, languages, and academic affiliations.

Keyword search

The database supports UC Davis faculty, students and staff by:

- Acting as a networking and communication tool for UC Davis faculty and students developing and expanding international linkages and collaborations.
- Supporting the Chancellor and Provost in identifying UC Davis faculty with expertise in countries where the campus already has or plans to pursue international exchange, academic programs, international programs, and alumni relations.
- Helping potential UC Davis graduate students and researchers to identify international expertise and collaboration with UC Davis faculty.

Building Bridges Locally and Globally

“We will remain a leader in promoting diversity as a measure of quality. And we will strengthen our international programs and international visibility.

We will become the place of choice for students, faculty and staff from the U.S. and around the world who want to receive a broader education or professional experience deepened by a uniquely rich perspective.”

- Chancellor Linda P.B. Katehi
