 Merit

# A Primer on the UC Davis Step Plus system

- A faculty member is eligible for merit advancement after *normative time* at their current step (2, 3, or 4 years)
  - After deferral, candidate can “go up” the following year
  - After denial or a 5-year review without advancement, candidate can “go up” the following year
- **Promotion** (to Associate Prof., full Prof., LSOE, SLSOE) can occur at any time
- Each merit/promotion dossier will be considered for accelerated advancement
  - “regular advancement” is 1.0 step
  - accelerations may be 1.5, 2.0, or (VERY rarely) > 2.0 steps

# The three legs of the academic “stool”: foundations for performance evaluation

## Ladder-rank faculty

## L/P/SOE faculty

# Guidelines for advancement under Step Plus: Professor series

- Regular, 1.0-step advancement
  - Requires a **balanced record**, appropriate for rank and step, with evidence of **good accomplishments in all areas of review**. Academic Senate faculty can expect to advance at normal rates, unless a major flaw in their performance is evident. Service duties are expected to increase as faculty advance in rank and step.
- 1.5-step advancement
  - Requires a **strong record with outstanding achievement in at least one area of review across research or creative work, teaching, and service**. However, outstanding achievement in one area may not qualify the candidate for 1.5-step advancement if performance in another area does not meet UC Davis standards.

# Guidelines for advancement under Step Plus: Professor series

- 2.0-step advancement
  - Requires a **strong record in all three areas of review, with outstanding performance in at least two areas**. In most cases, one of those areas will be scholarly and creative activity, however, exceptional performance in two other areas (teaching, University and public service, professional competence and activities) might warrant such unusual advancement.
- > 2.0-step advancement
  - Expected to be **extremely rare; requires an exceptionally strong and balanced record, highlighted by extraordinary levels of achievement in two areas (including research and creative activity), and excellent contributions in the third area.**
- At Above Scale, criteria for acceleration are very stringent

# Guidelines for advancement under Step Plus: LPSOE/LSOE/SLSOE Senate faculty

- Regular, 1.0-step advancement
  - Requires a **balanced record**, with evidence of **good accomplishments in all areas of review**. Academic Senate faculty can expect to advance at normal rates, unless a major flaw in their performance is evident. Service duties are expected to increase as faculty advance in rank and step.
- 1.5-step advancement
  - In addition to excellent teaching, requires a **strong record with outstanding achievement in at least one area of review across teaching and learning, professional achievement/creative work, and service**.

# Guidelines for advancement under Step Plus: LPSOE/LSOE/LSOE Senate faculty

- 2.0-step advancement
  - In addition to excellent teaching, requires a **strong record in all three areas of review, with outstanding performance in at least two areas.**
- > 2.0-step advancement
  - Expected to be **extremely rare; requires an exceptionally strong and balanced record, highlighted by extraordinary levels of achievement in two areas (including teaching and learning).**
- At Above Scale (available for Senior Lecturers SOE only), the criteria for acceleration are very stringent

# How do you find out what expectations for normative advancement are?

- Talk to your senior colleagues, your department chair, and to current or former Senate review committee members (CAP, FPC)
- Consider developing a “Plan for Progress” with your Chair
- Criteria and expectations vary among disciplines!
  - E.g. the “book disciplines”
  - the arts
  - STEM disciplines
- Teaching expectations (and teaching loads) vary among disciplines
- Encourage your department to prepare written guidelines

# Your dossier establishes the case for a particular advancement outcome

✓ Good, solid, satisfactory contributions that meet expectations for normal advancement

✗ Substantial weaknesses, contributions well below expectations

★ Outstanding performance, contributions well above expectations

Possibly no promotion or no merit

1.0 step

1.5 steps

2.0 steps

# Which department members vote on your merit or promotion dossier?

- Only **Senate faculty** can vote on Senate personnel actions.
  - Most common series: Professor (also called “ladder-rank faculty”), Lecturer \_\_SOE, Professor of Clinical \_\_\_\_, Professor in Residence
- Each department has specific voting rules that determine:
  - Whether junior faculty vote on appointments or advancements at higher ranks
  - Whether non-ladder Senate faculty can vote on ladder-rank personnel actions
  - Whether emeriti can vote (uncommon)
- Review your department’s voting rules with your Chair
- **Your dossier communicates your record to your voters!!!**

Universitywide policies listed below begin with "APM." UC Davis policies and procedures begin with "UCD" and are highlighted below. Not all Universitywide policies have UCD procedures. Universitywide policies are issued by the Office of the President and apply to all campuses and laboratories. UCD procedures are developed by Academic Affairs and issued by the Offices of the Chancellor and Provost and apply only to UCD, which includes all units under the jurisdiction of UC Davis, located in Davis, Sacramento, and all off-site locations.

Throughout these policies, the term "Chancellor" refers to the Chancellor and/or the Chancellor's designee. Responsibilities that cannot be redelegated by the Chancellor are stated explicitly within the policy.

## WORDS TO THE WISE

- Keep track of all professional activities (committees, talks, invitations, etc.)
  - ✓ Set up file folders/spreadsheet for research, teaching, service, professional competence (whatever works for you)
  - ✓ Summarize regularly (quarterly or at least annually) and/or *enter data directly into MIV!*
- Keep your CV updated (publications, exhibits, invited seminars, grants, etc.) – *MIV can generate this automatically for you!*
- Consult with department colleagues, chair, and unit academic personnel analyst for advice on how to enter activities into MIV for YOUR discipline

## MORE WORDS TO THE WISE

- Write a compelling Candidate's Statement (5 pages max) that is as non-technical as possible
  - ✓ Provide your perspective on all areas under review
  - ✓ Describe the impact and uniqueness of your work-- your successes and challenges that had to be overcome
  - ✓ Teaching philosophy; course development; *any problems you had & how you are working to resolve them*
  - ✓ Explain the significance of any awards/honors
  - ✓ Efforts related to promotion of diversity
  - ✓ For each merit, carefully update your dossier

## YET MORE WORDS TO THE WISE

- Check dossier for accuracy/completeness before chair releases it for department review
  - You can write a rebuttal of redacted external letters with which you disagree (promotions) – due within 10 calendar days from date of receiving copies of redacted extramural letters
- Check penultimate draft of department letter
  - ✓ Factual errors should be corrected
  - ✓ Content should reflect faculty views, and is not negotiable
- If you disagree with statements in the department letter, you can write a rejoinder (due within 10 calendar days from date of receipt of department letter)
- You can go forward for advancement even if the department vote is negative... but is this a good idea?
- Fourth-year Appraisals provide you with input from your peers about how well you are progressing towards tenure promotion

# WHAT HAPPENS TO YOUR DOSSIER AFTER IT LEAVES YOUR DIGITAL HANDS?

- This depends on whether the action is “redelegated”
- If redelegated, your Dean makes the final decision
- If *not* redelegated, the Vice Provost – Academic Affairs makes the final decision (except for tenure decisions... these are made by the Provost or Chancellor)
- Normal merits (and accelerated merits that do not skip a step) are redelegated
- URL for professorial series delegation of authority:  
[http://academicaffairs.ucdavis.edu/local\\_resources/docs/doa/Professor\\_InRes\\_Clinical\\_Action.pdf](http://academicaffairs.ucdavis.edu/local_resources/docs/doa/Professor_InRes_Clinical_Action.pdf)

# REDELEGATED ACTIONS

- Candidate (that's you) signs off on the digital dossier before it leaves the department
- Dossier goes from department to Dean's Office
- Most actions: Dean's Office sends dossier to college/school Faculty Personnel Committee (FPC – a subcommittee of CAP – Oversight Committee)
- FPC makes a recommendation to the Dean
- Dean makes final decision
- Appeals go to CAP-Appellate Committee (CAP-AC), and back to Dean for final action

# NON-REDELEGATED ACTIONS

- Candidate signs off on dossier
- Department sends dossier to Dean's Office
- Dean makes recommendation to Vice Provost – AA
- Vice Provost sends to CAP–Oversight Committee (CAP or CAP-OC), which may recommend Ad Hoc review
- CAP recommendations go to Vice Provost for final action (except for tenure)
- If tenure case, Chancellor/Provost decide after consultation with Vice Provost
- Appeals go to CAP-AC; then to Vice Provost for final decision/recommendation (tenure cases go to the Chancellor/Provost)

# Discussion
