Home > UC Davis Faculty with International Linkages

### UC Davis Faculty with International Linkages

The database is an important campus tool showcasing the breadth of international linkages and expertise of UC Davis faculty in the Academic Senate and Academic Federation.

#### Search Records

Use this form to choose parameters for your search of faculty. These fields are exclusive; if you fill in two fields, only faculty members who meet both criteria will be returned. Leave blank any field that you do not wish to include in your search.

Faculty First Name <input type="text"/>	Faculty Last Name <input type="text"/>
College/School <input type="text" value="(Any)"/>	Specialty <input type="text" value="(Any)"/>
	Specialty <input type="text" value="(Any)"/>
World area of expertise <input type="text" value="(Any)"/>	
Country of expertise and/or collaboration <input type="text" value="(Any)"/>	
Language <input type="text" value="(Any)"/>	

Search the above fields to find countries, regions, languages, and academic affiliations.

Keyword search

#### The database supports UC Davis faculty, students and staff by:

- Acting as a networking and communication tool for UC Davis faculty and students developing and expanding international linkages and collaborations.
- Supporting the Chancellor and Provost in identifying UC Davis faculty with expertise in countries where the campus already has or plans to pursue international exchange, academic programs, international programs, and alumni relations.
- Helping potential UC Davis graduate students and researchers to identify international expertise and collaboration with UC Davis faculty.

# Agreements of Cooperation

- Student Partnerships
- Research Partnerships
- Administrative Internships
- County and Regional Summaries

#### Overview

Agreements of Cooperation refers to a general agreement to collaborate or cooperate and apply to the whole campus and are signed by the Chancellor.

An Agreement of Cooperation should be supplemented by a [Working Agreement](#) signed by the college or school dean or a designate within the department or unit who is responsible for ensuring any resource commitment is available as outlined within the text of the Working Agreement.

# Seed Grants for International Activities

- Since 2001, we have funded 180 innovative programs aimed at advancing knowledge, enriching student learning and solving society's most pressing problems. Total seed grant funding of over \$1,700,000 has generated over \$40,000,000 in external funds
- 1:1 matching funding from the dean is required. Depending on matching funds, the total grant amount could be \$30,000.
- The annual call and deadline is in fall quarter.
- All recipients will be required to attend an on-campus workshop organized jointly with Global Affairs and the Office of Research that will offer assistance in articulating faculty research interests and identifying which agencies they want to meet with in order to secure external funding.
- A trip to Washington D.C., organized jointly with the UC Federal Governmental Relations Office, will provide an opportunity for faculty to meet with relevant federal agencies, to present their research and learn about the agencies' priorities.
- UC Davis Academic Senate faculty members and Academic Federation faculty with PI status are eligible to apply. All UC Davis locations are eligible.

# Seed Grants for International Activities

Harry Cheng

Professor, Mechanical & Aerospace Engineering

Integrating computing and robotics into K-12 math education.

Girls in Robotics Leadership (GIRL) Camps.
