 Promotion
 Merit

A Primer on the UC Davis Step Plus system

- A faculty member is eligible for merit advancement after *normative time* at their current step (2, 3, or 4 years)
 - After deferral, candidate can “go up” the following year
 - After denial or a 5-year review without advancement, candidate can “go up” the following year
- **Promotion** (to Associate Prof., full Prof., LSOE, SLSOE) can occur at any time, but promotions requested before normative time has elapsed are awarded a maximum of one (1.0) step.
- Each merit/promotion dossier will be considered for accelerated advancement
 - “regular advancement” is 1.0 step
 - accelerations may be 1.5, 2.0, or (**VERY** rarely) > 2.0 steps

The three legs of the academic “stool”: foundations for performance evaluation

Ladder-rank faculty

L/P/SOE faculty

Guidelines for advancement under Step Plus: Professor series

- Regular, 1.0-step advancement
 - Requires a **balanced record**, appropriate for rank and step, with evidence of **good accomplishments in all areas of review**. Academic Senate faculty can expect to advance at normal rates, unless a major flaw in their performance is evident. Service duties are expected to increase as faculty advance in rank and step.
- 1.5-step advancement
 - Requires a **strong record with outstanding achievement in at least one area of review across research or creative work, teaching, and service**. However, outstanding achievement in one area may not qualify the candidate for 1.5-step advancement if performance in another area does not meet UC Davis standards.

Guidelines for advancement under Step Plus: Professor series

- 2.0-step advancement
 - Requires a **strong record in all three areas of review, with outstanding performance in at least two areas**. In most cases, one of those areas will be scholarly and creative activity, however, exceptional performance in two other areas (teaching, University and public service, professional competence and activities) might warrant such unusual advancement.
- > 2.0-step advancement
 - Expected to be extremely rare; requires an exceptionally strong and balanced record, highlighted by extraordinary levels of achievement in two areas (including research and creative activity), and excellent contributions in the third area.
- At Above Scale, criteria for acceleration are very stringent

Guidelines for advancement under Step Plus: LPSOE/LSOE/SLSOE Senate faculty

- Regular, 1.0-step advancement
 - Requires a **balanced record**, with evidence of **good accomplishments in all areas of review**. Academic Senate faculty can expect to advance at normal rates, unless a major flaw in their performance is evident. Service duties are expected to increase as faculty advance in rank and step.
- 1.5-step advancement
 - In addition to excellent teaching, requires a **strong record with outstanding achievement in at least one area of review across teaching and learning, professional achievement/creative work, and service**.

Guidelines for advancement under Step Plus: LPSOE/LSOE/LSOE Senate faculty

- 2.0-step advancement
 - In addition to excellent teaching, requires a **strong record in all three areas of review, with outstanding performance in at least two areas.**
- > 2.0-step advancement
 - Expected to be extremely rare; requires an exceptionally strong and balanced record, highlighted by extraordinary levels of achievement in two areas (including teaching and learning).
- At Above Scale (available for Senior Lecturers SOE only), the criteria for acceleration are very stringent

How do you find out what expectations for normative advancement are?

- Talk to your senior colleagues, your department chair, and to current or former Senate review committee members (CAP, FPC)
- Consider developing a “Plan for Progress” with your Chair
- Criteria and expectations, especially for promotion, vary among disciplines!
 - E.g. the “book disciplines”
 - the arts
 - STEM disciplines
 - Co-authorship, and intellectual/conceptual leadership
- Teaching expectations (and teaching loads) vary among disciplines
- Encourage your department to prepare written guidelines

Your dossier establishes the case for a particular advancement outcome

✓ Good, strong contributions that meet expectations for normal advancement

✗ Substantial weaknesses, contributions well below expectations

★ Outstanding performance, contributions *well above* expectations

Possibly no promotion or no merit

1.0 step

1.5 steps

2.0 steps

Which department members vote on your merit or promotion dossier?

- Only **Senate faculty** can vote on Senate personnel actions.
 - Most common series: Professor (also called “ladder-rank faculty”), Lecturer __SOE, Professor of Clinical ____, Professor in Residence
- Each department has specific voting rules that determine:
 - Whether junior faculty vote on appointments or advancements at higher ranks
 - Whether non-ladder Senate faculty (e.g. LSOE series, Clin ____, etc. can vote on ladder-rank personnel actions
 - Whether emeriti can vote (uncommon)
- Review your department’s voting rules with your Chair
- **Your dossier communicates your record to your voters!!!**

MERIT ACTIONS:

MAJOR COMPONENTS OF SUBMITTED DOSSIER

- Candidate's statement (teaching, mentoring, research, service, contributions to diversity)
- Courses taught (DESII), student evaluation scores and comments
- Teaching, advising and curriculum development
- Mentoring record
- Service activities (department, college, professional, public)
- Publications or creative works of various types
- **Contributions to jointly authored works!!!**
- Extramural support

PROMOTIONS:

ADDITIONAL COMPONENTS OF DOSSIER

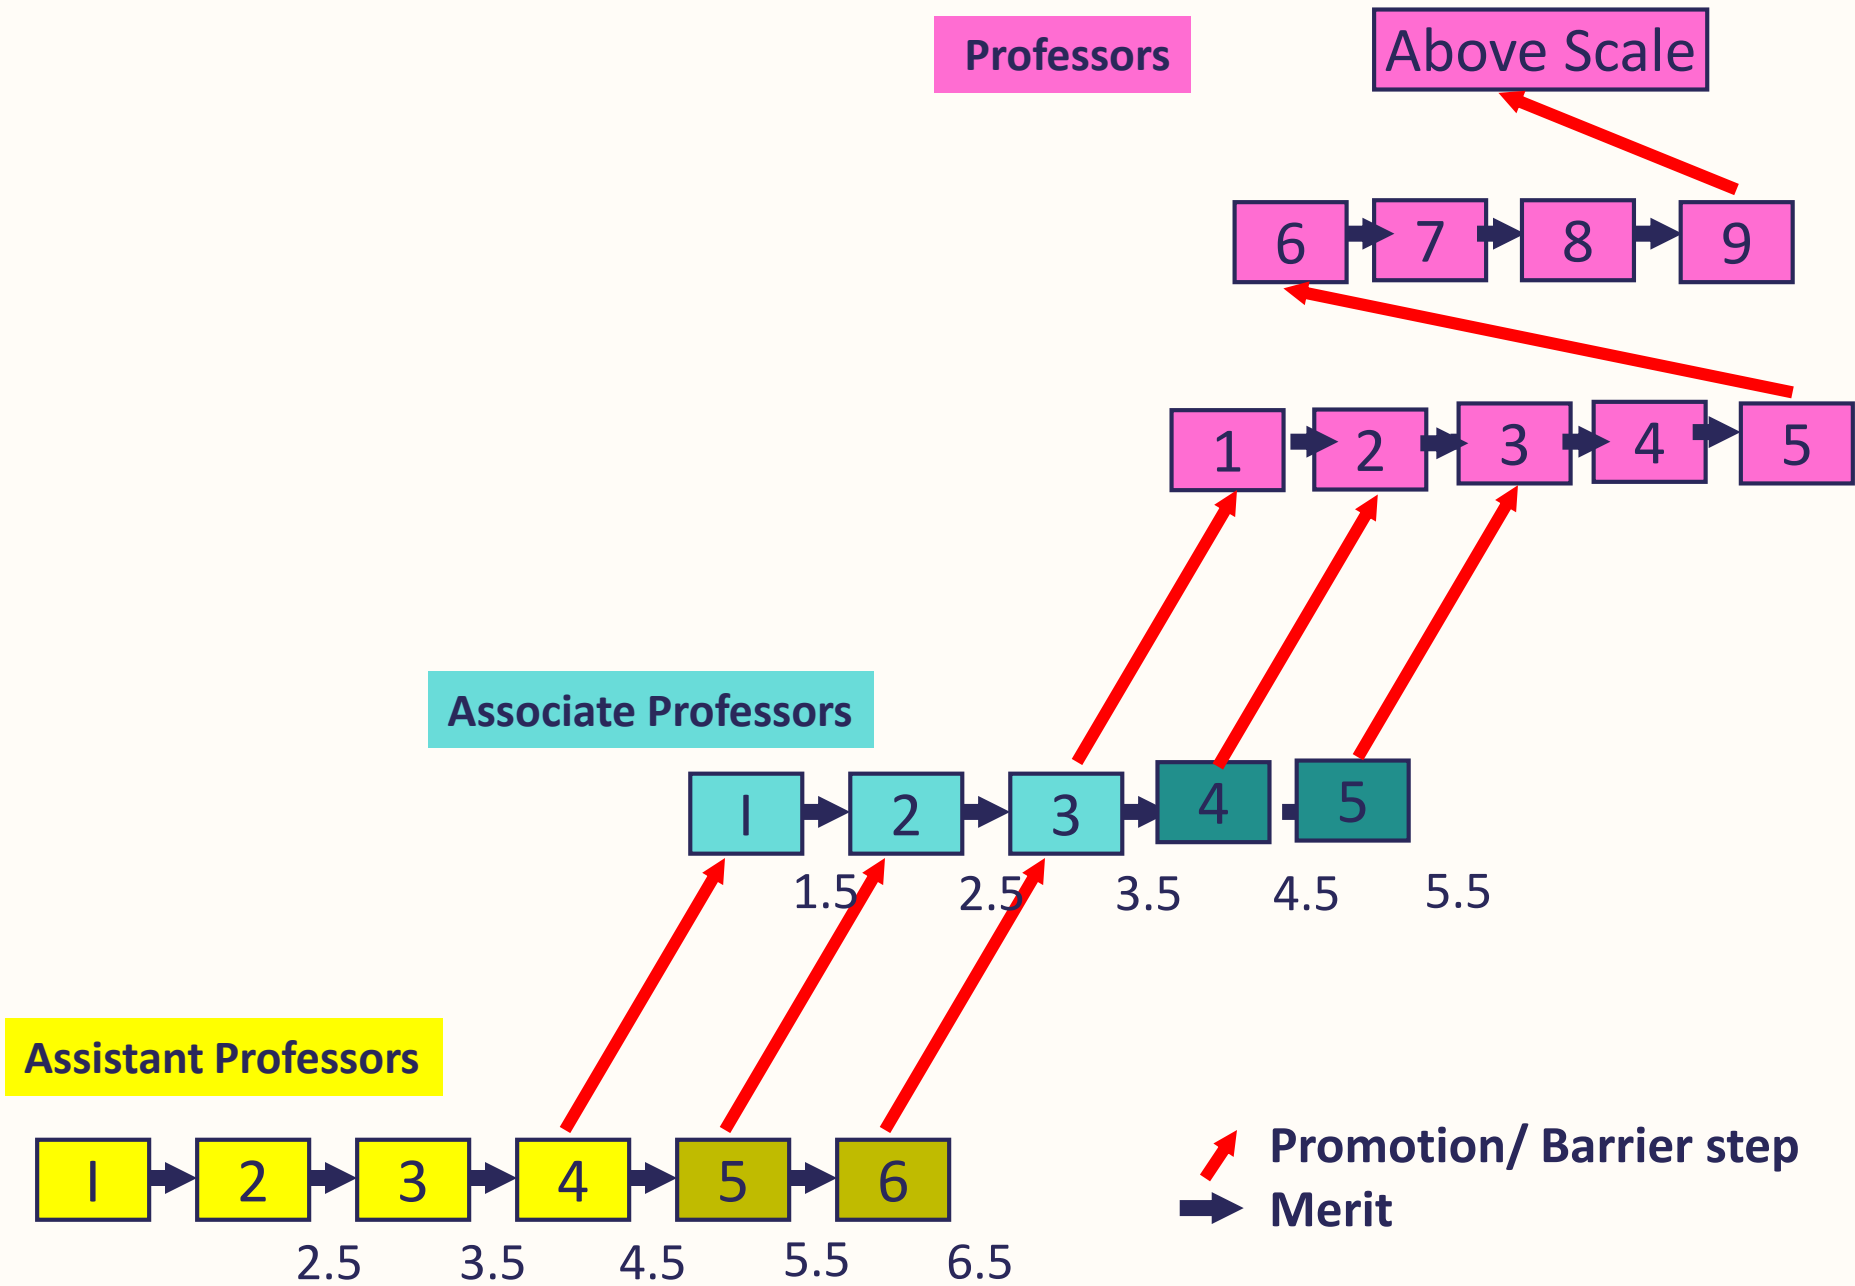

- Letters from external referees
- Peer teaching evaluation*
 - *these are required at *each* merit for L/P/SOE faculty
- Summary of record since terminal degree (for tenure promotion) or since last promotion, with achievements since last review identified
 - Dossier review by the Committee on Academic Personnel (CAP) and the VP-AA will emphasize activities/achievements since the most recent review, while also considering the longer review period
 - If more than one step is being requested for outstanding work in one or more areas, reviewers will consider whether that work has previously been awarded

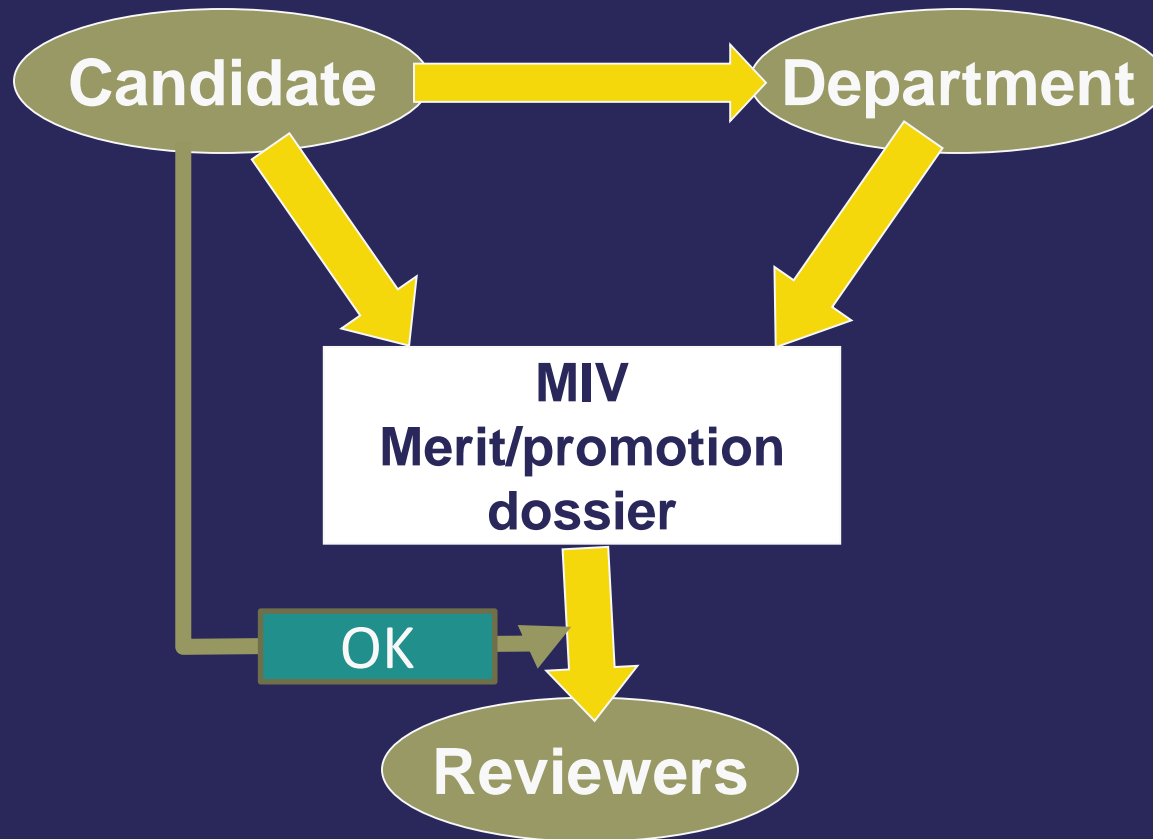

Step Plus has complicated reviews within 2 steps of a promotion of high-level merit barrier step

- A dossier submitted for promotion may instead be considered for merit advancement to an overlapping step if a key criterion for promotion has not been met
- A dossier submitted for a merit may gain support from the department, dean or FPC for promotion or for advancement past a high-level barrier step (Professor Step 6 or Professor Above Scale); if the candidate agrees, the dossier will need to be updated and a new vote taken
- If >1.0 step is being requested for outstanding work in one or more areas, reviewers will consider whether that work has previously been awarded

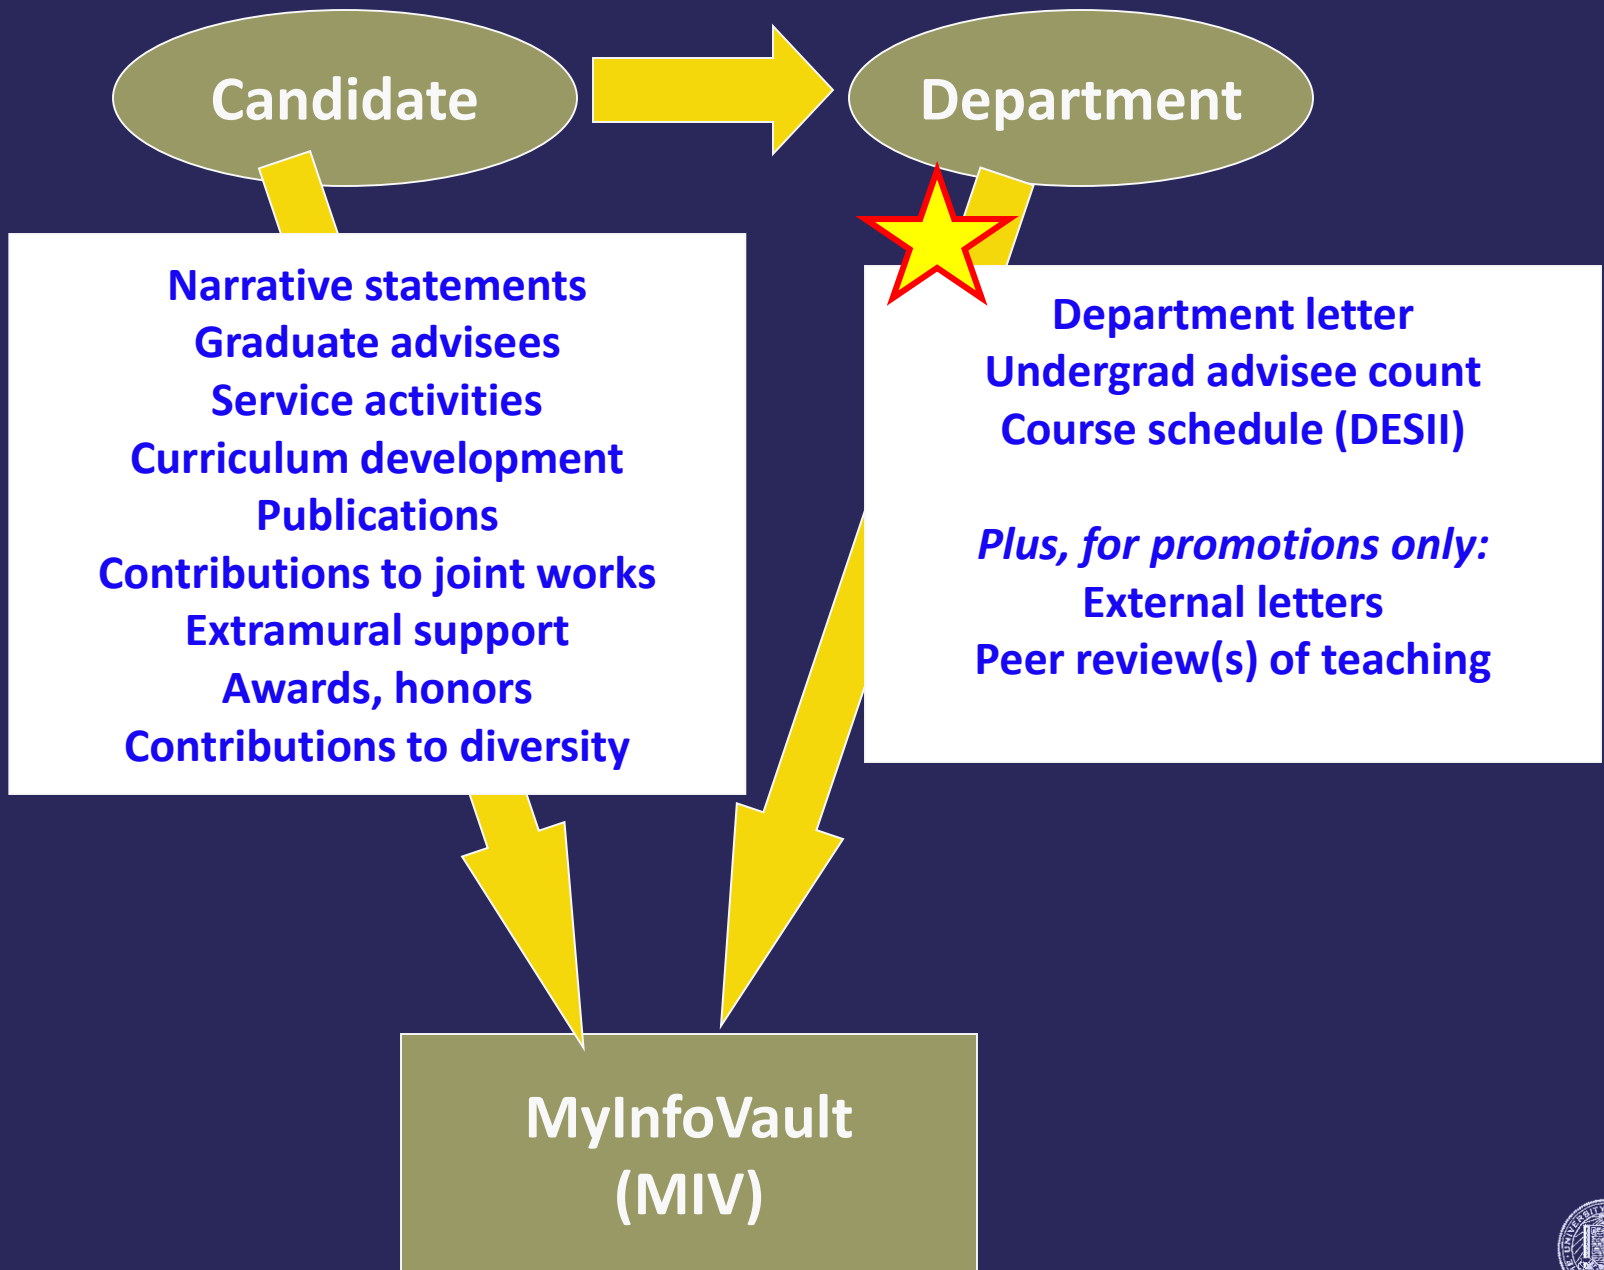

MyInfoVault (MIV): UCD's digital dossier management system

- <https://academicaffairs.ucdavis.edu/tools/miv-information/index.html>

KEY COMPONENTS OF DEPARTMENT LETTER

- Nature & extent of consultation with department faculty & faculty vote

- Peer evaluation letter (promotions and high-level merits to Professor Step 6 and Professor Above Scale)

For Promotions or high-level merits:

EXTRAMURAL LETTERS

- The department chair will request extramural evaluations of your record. Some names will come from a list suggested by the candidate (you). Some will come from an *independently selected* list generated by the department.
 - Most letters should be “arm’s length” – not from mentees, mentors, collaborators or other close associates.
 - Letters should be requested in Spring quarter, so get your materials together early, including a draft candidate statement.
- Before your dossier goes to the department for a vote, you have the right to see a redacted version of the extramural letters and write a rebuttal letter (this is relatively rare).

Merit advancement expectations

- Although reviewers are expected to exercise reasonable flexibility in assessing any one review period, continued advancement requires contributions in all areas! Expectations for service increase dramatically after promotion to Full Professor, especially at the high steps
- The Step Plus merit criteria are applied by reviewers to determine whether they recommend > 1.0-step advancement in recognition of **outstanding** achievement in one or more areas of review over the period of review.
 - Find merit advancement criteria for all Senate titles at the Step Plus website: <http://academicaffairs.ucdavis.edu/policies/step-plus/index.html>
 - For Step Plus promotions or merit advancements to barrier steps, attention is paid to achievements since the previous merit review and the degree to which achievements over the longer review period have already been recognized and rewarded

Promotion expectations

- Promotions and merits to barrier steps (Professor Step 6 and Professor Above Scale) are based on your cumulative record since your terminal degree (for promotion to tenure) or since your last promotion (to Associate or full Professor rank)
- Criteria for promotion involve the achievement of *benchmarks* in scholarship/creative work, teaching and service, and are separate from those for merit advancement.
 - E.g., have you established your own unique voice as a scholar?
 - Is your work having a demonstrable impact at regional, national or international scales?

- For LSOE promotion to SLSOE, provide evidence for national leadership and recognition for work on pedagogy

LPSOEs:

Professional achievement and scholarship

- For LPSOE level, publishing on pedagogy is a plus, but is not required; “in-house” studies and innovative trials can suffice
- Professional activity should demonstrate growth as a scholar of teaching and learning
 - Presentations at national meetings focused on pedagogy
 - Textbook writing, manuals for better instruction
 - Consultations with other departments, institutions
 - Participation in learning communities focused on pedagogy

Universitywide policies listed below begin with "APM." UC Davis policies and procedures begin with "UCD" and are highlighted below. Not all Universitywide policies have UCD procedures. Universitywide policies are issued by the Office of the President and apply to all campuses and laboratories. UCD procedures are developed by Academic Affairs and issued by the Offices of the Chancellor and Provost and apply only to UCD, which includes all units under the jurisdiction of UC Davis, located in Davis, Sacramento, and all off-site locations.

Throughout these policies, the term "Chancellor" refers to the Chancellor and/or the Chancellor's designee. Responsibilities that cannot be redelegated by the Chancellor are stated explicitly within the policy.

Got DATA??? Words to the wise

- Keep track of all professional activities (committees, talks, invitations, etc.)
 - ✓ Set up file folders/spreadsheet for research, teaching, service, professional competence (whatever works for you)
 - ✓ Summarize regularly (quarterly or at least annually) and/or *enter data directly into MIV!*
- Keep your CV updated (publications, exhibits, invited seminars, grants, etc.) – *MIV can generate this automatically for you!*
- Consult with department colleagues, chair, and unit academic personnel analyst for advice on how to enter activities into MIV for YOUR discipline

Candidate's statement

- Write a compelling Candidate's Statement (5 pages max) that is as non-technical as possible
 - ✓ Provide your perspective on all areas under review
 - ✓ Describe the impact and uniqueness of your work-- your successes and challenges that had to be overcome
 - ✓ Teaching philosophy; course development; *be honest about any challenges you had & how you are working to resolve them*
 - ✓ Explain the significance of any awards/honors
 - ✓ Describe efforts to promote diversity & equal opportunity
 - ✓ For each merit, carefully update your dossier (including end-dates on service commitments)

Responses you can make during review

- Check dossier for accuracy/completeness before chair releases it for department review
 - You can write a rebuttal of redacted external letters with which you disagree (promotions) – due within 10 calendar days from date of receiving copies of redacted extramural letters
- Check penultimate draft of department letter
 - ✓ Factual errors should be corrected
 - ✓ Content should reflect faculty views, and is not negotiable
- If you disagree with statements in the department letter, you can write a rejoinder (due within 10 calendar days from date of receipt of department letter)
- You can go forward for advancement even if the department vote is negative... but is this a good idea?
- Fourth-year Appraisals provide Assistant Professors with input from peers about progress toward tenure promotion

Where does your dossier go after it leaves your digital hands?

- This depends on whether the action is “redelegated” or “non-redelegated”
- If redelegated, your Dean makes the final decision
- If *not* redelegated, the Vice Provost – Academic Affairs makes the final decision (except for tenure decisions... these are made by the Provost or Chancellor)
- Non-barrier merits recommended for < 2.0 steps are redelegated
- URL for professorial series delegation of authority:
http://academicaffairs.ucdavis.edu/local_resources/docs/doa/Professor_InRes_Clinical_Action.pdf

REDELEGATED ACTIONS

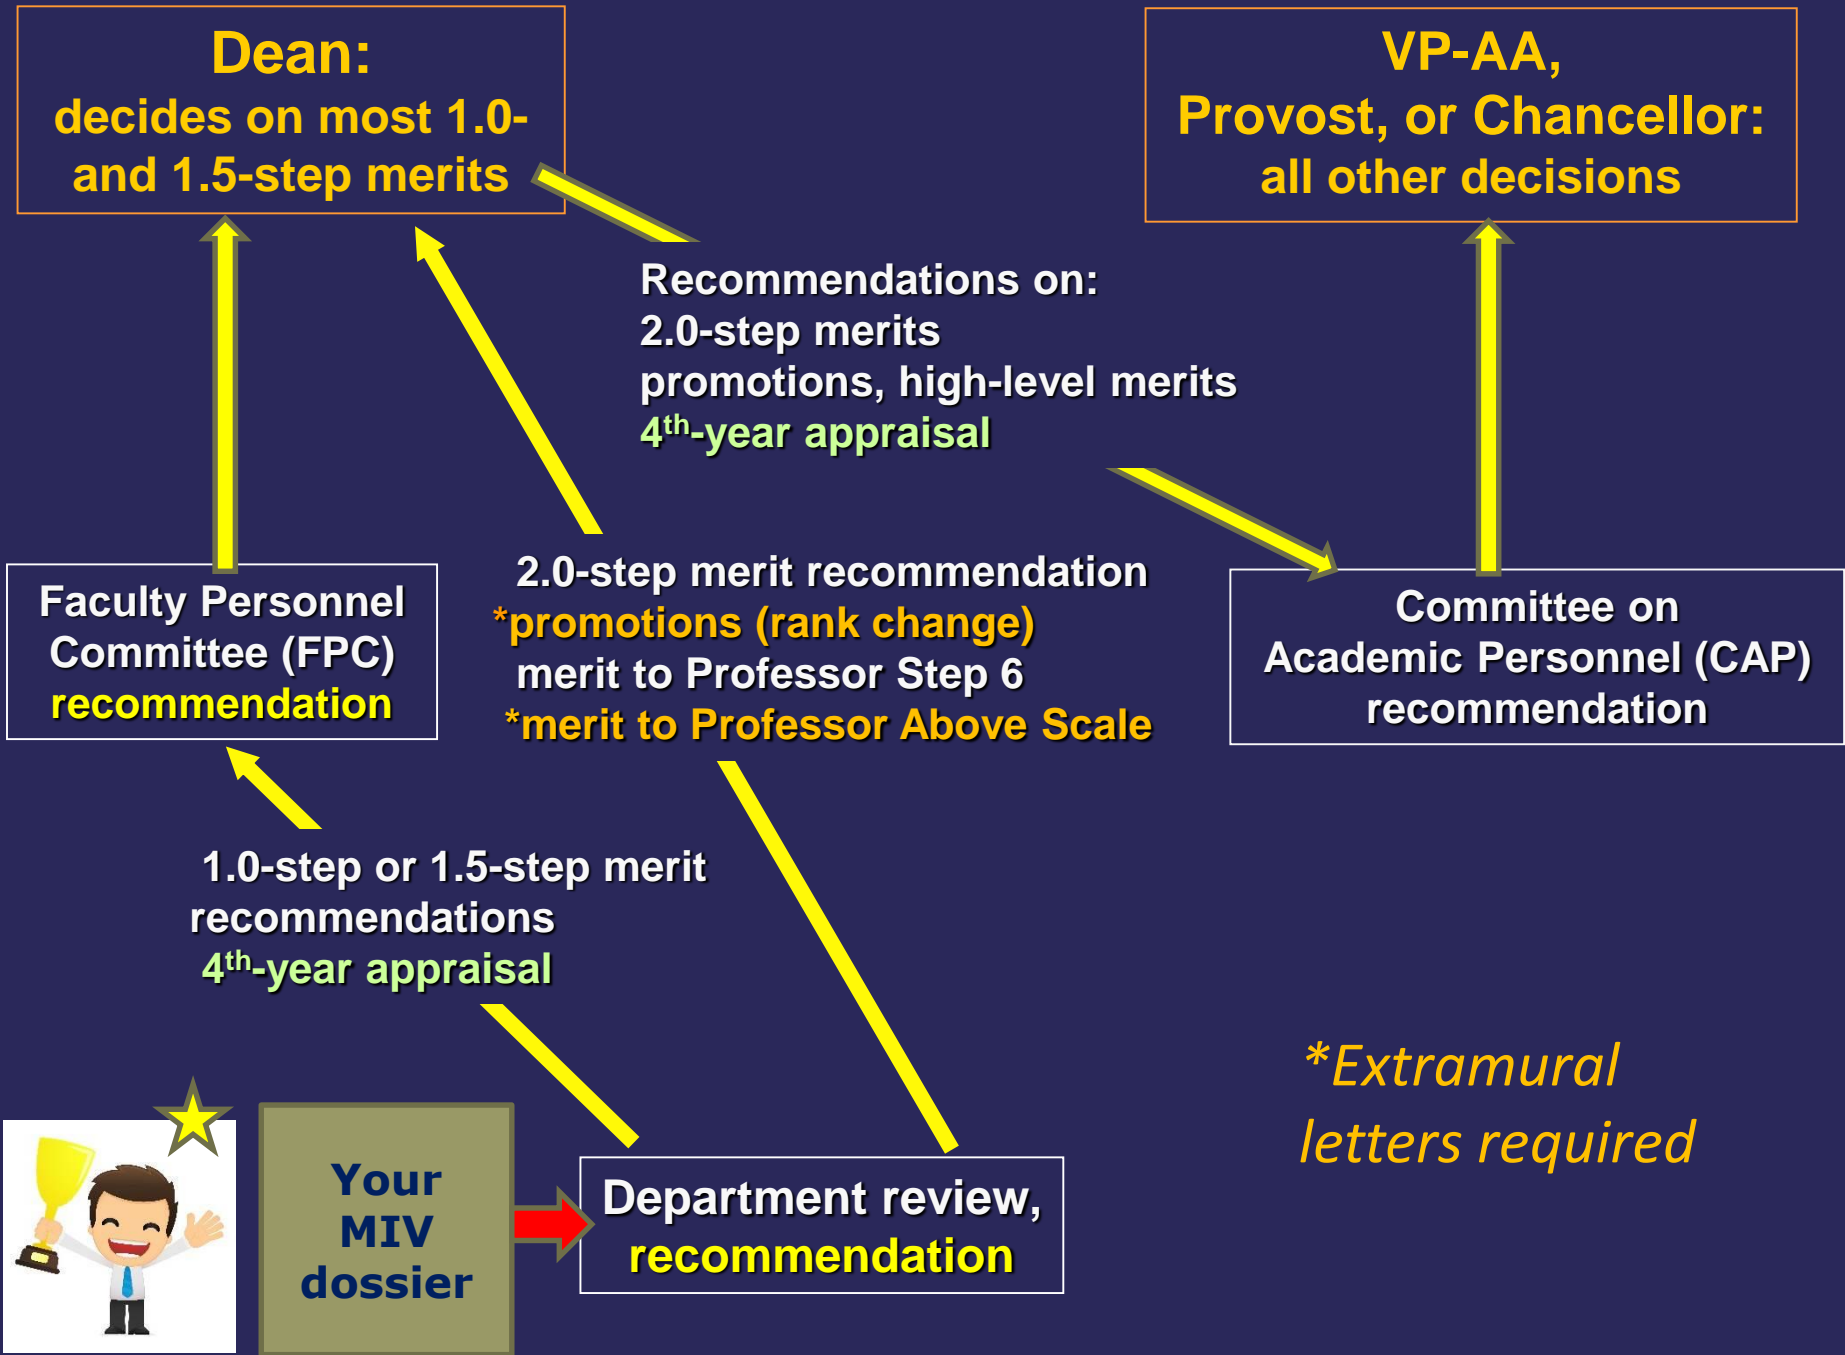

- Candidate (that's you) signs off on the digital dossier before it leaves the department
- Dossier goes from department to Dean's Office
- Most actions: Dean's Office sends dossier to college/school Faculty Personnel Committee (FPC – a subcommittee of CAP – Oversight Committee)
- FPC makes a recommendation to the Dean
- Dean makes final decision
- Appeals go to CAP-Appellate Committee (CAP-AC), and back to Dean for final action

NON-REDELEGATED ACTIONS: promotions, 2.0-step merit recommendations and merits to barrier steps

- Candidate signs off on dossier
- Department sends dossier to Dean's Office
- Dean makes recommendation to Vice Provost – AA
- Vice Provost sends to CAP–Oversight Committee (CAP or CAP-OC), which may recommend Ad Hoc review
- CAP recommendations go to Vice Provost for final action (except for tenure)
- If tenure case, Chancellor/Provost decide after consultation with Vice Provost
- Appeals go to CAP-AC; then to Vice Provost for final decision/recommendation (tenure cases go to the Chancellor/Provost)
