

Steps in using STEAD Certification Finder

To use the STEAD Certification Finder, you must first have access to the Academic Affairs **Event Management System (EMS)** at <https://ocpweb.ucdavis.edu/events>. If you do not have access, please contact Lilliane Cruz at licruz@ucdavis.edu. The STEAD Certification Finder will allow you to assess the search committee member's STEAD certification status. Log on to EMS and follow the steps below.

1. Under the "Search Committees" tab, click on "STEAD Certification Finder".

The screenshot displays the UC Davis Academic Affairs Event Management System. At the top, the navigation menu includes 'HOME', 'EVENT MAINTENANCE >', and 'SEARCH COMMITTEES >'. Below this, a sidebar on the left contains 'Event Maintenance' with a sub-link for 'Registrants', and 'Search Committees' with sub-links for 'Create New Search Committee', 'Search Committee List', and 'STEAD Certification Finder'. A callout box with a blue border and text states: 'The STEAD Certification Finder is located in the "Search Committee" tab.' Two blue arrows originate from this box: one points to the 'SEARCH COMMITTEES >' menu item, and the other points to the 'STEAD Certification Finder' link in the sidebar.

2. On the **STEAD Certification Finder** page, type the name, Kerberos ID or email address of the person whose status you would like to check and click **submit**.
